EXPERIENCE

Twilio | Remote

Senior Web UX Designer

Initiating and leading large web projects from invention to implementation, most notably a website replatform and a holistic navigation redesign. Supporting web projects with UX research, documentation, accessibility, and quality assurance.

May 2021 – Current

Inxeption | San Francisco

UX/UI Designer

Designed major flows and interfaces of the platform; often using HTML, CSS, and Javascript to build prototypes and support development. Lead, managed, and evolved the design of the Inxeption website to improve marketing outcomes.

December 2017 – May 2020

The Point Collective | San Jose

Graphic & Web Designer / Web Admin

Designed and implemented user flows for back-end website systems, website management and troubleshooting.

November 2014 – November 2017

EDUCATION

NN/g Certificate in User Experience

Cal Poly State University | San Luis Obispo

Bachelor of Fine Arts: Department of Art & Design
Focus in Graphic Design, Graduated 2014, cum laude
